Roasted Peat

FIRST FLOORS
Premium Australian Engineered Hardwood

LUXURY IN A
HOME BRINGS
THE FEELING
OF STYLE AND
SOPHISTICATION,
AND STARTS FROM
THE FLOOR UP.

With the deep rich tones of Roasted Peat engineered flooring, it's slightly textured surface and a modern matt oil finish First Floors is the perfect choice for homes of distinction.

Roasted Peat, is an Australian Hardwood that has been through a thermal modification process that uses no chemicals to permanently alter the structure of the wood fibre.

This process greatly increases the stability and density of the hardwood, as well as locking in the gorgeous deep earth to chocolate brown colour tones.

Roasted Peat
